

Help young people

access these for FREE!

► ec-card.org.uk

The eC-Card App is offered by:

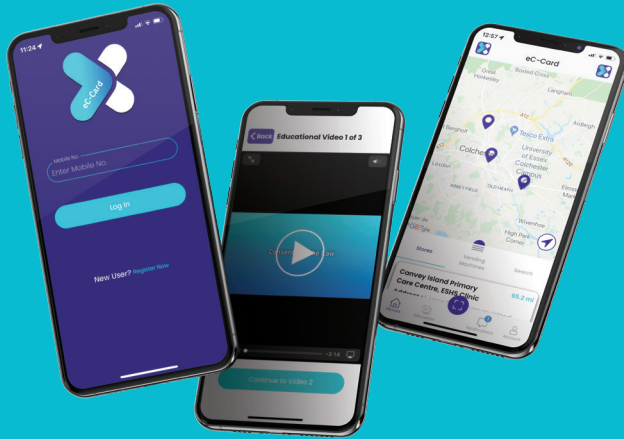

Become a distributor for the eC-Card scheme and help young people across Essex stay safe with **FREE** condoms

Find out more here

► ec-card.org.uk

What is the eC-Card scheme?

The eC-Card scheme gives young people aged 16–24 across Essex access to FREE condoms and lube.

It's as easy as 1-2-3

- 1 Young people can download the eC-Card app from Google Play or the Apple App Store
- 2 They are asked to watch three short videos and complete a simple questionnaire
- 3 The young person can then visit one of the convenient pickup points, scan their unique QR code and discreetly collect FREE condoms and lube

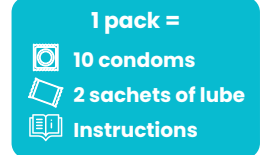

How can you help young people of Essex maintain good sexual health?

If you're an organisation or venue which provides easy access for young people, we'd love your help!

By becoming a distribution point for the eC-Card scheme, you can help more young people aged 16–24 access FREE protection.

Dispensing Pack

You can issue each user with 1 pack per 7-day period, packaged in a convenient dispensing bag.

Transaction

- 1 Ask user to scan your location's unique QR code
- 2 Transaction is confirmed (with an audible beep)
- 3 Hand over the pack!

Stock

We will automatically monitor your stock level and re-supply you.
