Information for participating outlets

## Stock

We will automatically monitor your stock level and re-supply you with 20 packs whenever your supply falls below 10.

## Dispensing Bag

The eC-Card App allows you to issue each user with **1 pack per 7-day period**.

The items are supplied in a dispensing bag.

## Transaction

Users will have downloaded the app and requested to collect a pack from your location.

- 1 Ask user to scan your location's unique QR code
- 2 Transaction is confirmed (with an audible beep)
- 3 Hand over the pack!

**Do not dispense packs to the user if they are unable to scan the QR code**

**Having problems? Ask the user to contact our service centre 0300 003 1212**

**If you have any concerns or feel the young person may be at risk - please follow your local safeguarding process**
